Respected Dr. Kumar

Hindi Literature Council India and GitanjaliMultilingual Literary Circle
UK**

Thank you for arranging the above on 3rd July 2016 at 'Shri DurgaBhawan'. It gives me a great pleasure in informing you that the above programme was a great success in building up mutual understanding and increasing literary and social partnership between creative writers of the UK and India. The role played by the Chief Guest, acting Consul General Mr. B.C. Pradhan, was the most instrumental in building bridges between two great nations. I hope we will be able to host a return programme for delegates from the UK in near future.

All 5 delegates from India found the event useful for their future work and have asked me to convey to you their gratitude. We thank you for your hospitality and kindness during our trip to the UK.

With warm personal regards.

Yours Sincerely

Dr. Aashish Kandhway
